

BRAKE CLEANER SPRAY

BENEFITS

- ✓ Effectively removes contaminants like oil, grease, salts, brake fluid and street grime from all possible parts
- ✓ Prevents brake squeaking
- ✓ Special detergents dissolve even crusted, corroded and hardened dirt
- ✓ Dries quick, precise and secure leaving absolutely no residue

USE

Highly active cleaner with intensive cleansing power for brake parts, couplings, gear boxes, engine components, etc. Pretreatment for surfaces which are to be glued, screwed or coated. Excellent cleansing and dirt removal qualities for glass, ceramics and stone. The ideal cleanser for industry and workshop applications while repairing and assembling.

DIRECTION

Shake well before use. Spray on the parts to be treated allowing the agent to dissolve, respectively evaporate.

DOSAGE

To be used whenever required.
